

Photography Subject Model Release

My Photos, by Yearbook Innovation often uses student images for various promotional, testing, and training purposes. Yearbook Innovation assures the school and parents that the names of such students will be altered to protect their identity. All image files and photographs shall constitute the property of Yearbook Innovation for these explicit marketing flyers, samples and documentation.

I hereby consent to authorize the use and reproduction by you or anyone authorized by you, any and all images, as captured during any of my photography sessions. Yearbook Innovation may further use these digital files for samples, testing and promotional purposes.
